Introduction

This Scheme of Delegation applies to all schools run by The Prince Albert Community Trust (PACT).

This Scheme of Delegation explains the ways in which the Trustees, Executive Leaders, Heads, and Academy Committees fulfil their responsibilities for the leadership and management of the Trust and the schools, and the accountability of each to ensure the success of the Trust and all schools.

This Scheme of Delegation has been put in place by the Trustees from the effective date, in accordance with the provisions of the Articles and it should be read in conjunction with those Articles.

In the event of any conflict between any provision of this Scheme of Delegation and the Articles, the Articles shall prevail.

A Multi Academy Trust's (MAT) Board of Trustees is accountable in law for all decisions about its schools. However, this does not mean that the Board is required to make all the decisions itself. Many decisions can and should be delegated to Executive Leaders, Board Committees, including Academy Committees and Senior Leaders. It is vital that the decision to delegate a function is made by the full Board of Trustees and is recorded. Without such formal delegation, the individual or committee has no power to act.

PACT has a Scheme of Delegation for schools that distinguishes between those schools that are and those that are not 'Requires Improvement' (RI) or 'Special Measures' (SM). Schools that are 'Good' or better have a larger amount delegated to them to enable local autonomy and decision making. The schools that are RI or SM have less delegation in recognition of the need for additional input from the Board in order to support a quick turnaround. In some cases, a RI or SM school may not have its own Academy Committee, their governance will be overseen solely by the Board.

PACT Vision and Values

This scheme of delegation is underpinned by PACT's vision and values and a commitment to '**enable every pupil to succeed at school and in life**'.

Our values are:

In all that we do we demonstrate:

PASSION:

inspiring a love of learning and being determined to make a difference

ASPIRATION:

wanting the very best for our pupils, our families, our communities and our staff

COLLABORATION:

working positively with each other, with parents and carers, other stakeholders and partners to achieve our goals

TRUST:

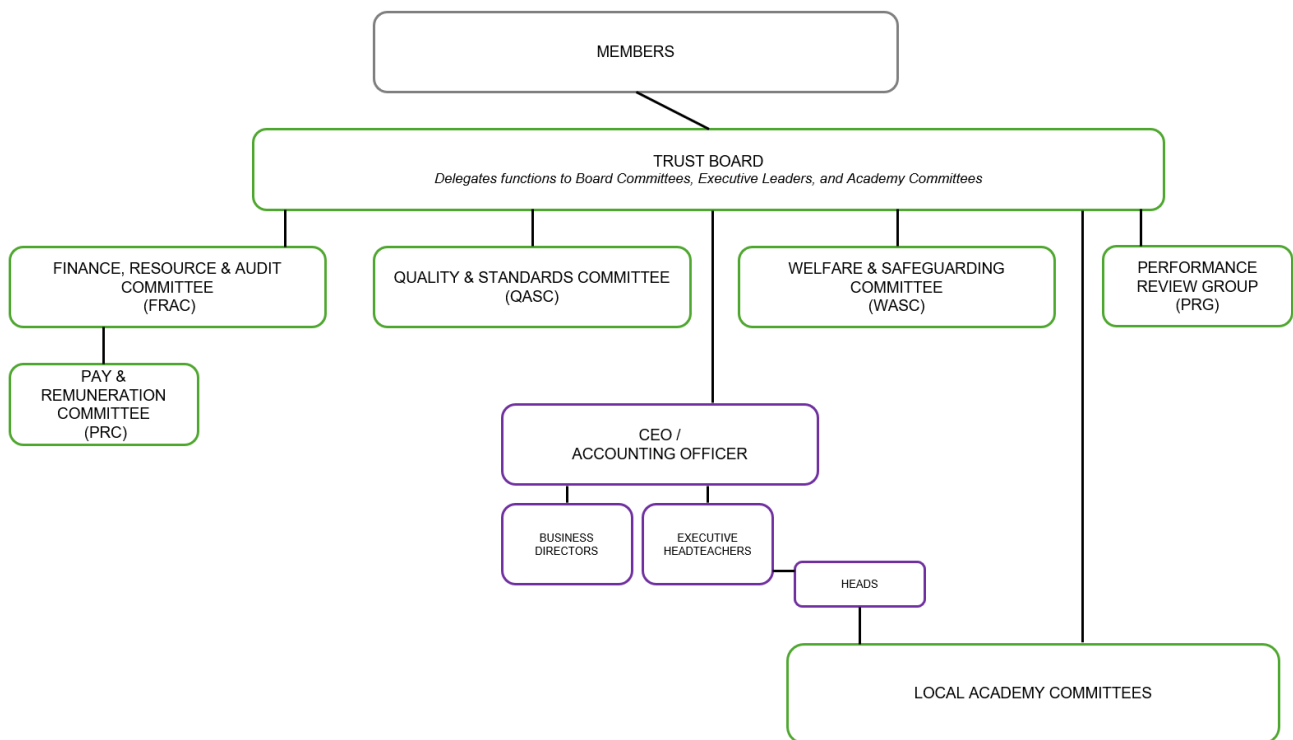

acting with integrity, being reliable and caring to create a safe and respectful environment for all to learn and work in

Our ambition is driven by 5 pillars of activity (*PACT Strategy>2025*) which focus on the following key priorities:

<p>Exceptional Welfare</p> <p>To ensure that every pupil attends a supportive and inclusive school where they feels safe and are mentally and physically healthy</p>	<p>Building closer relationships and working partnerships with local organisations and stakeholders to support families and communities</p> <p>Invest in staff development to ensure they have the necessary skills, knowledge and resources to respond to the needs of all pupils</p> <p>Implementation of a process for identifying and addressing matters that affect the welfare and wellbeing of all pupils</p> <p>Empower pupils to make the right choices in increasingly complex and evolving social environments</p>
<p>Exceptional Education</p> <p>To provide a high quality education that enables all of our pupils to fulfil their potential and succeed in life</p>	<p>Provide a comprehensive and forward-looking curriculum, with a strong commitment to inclusivity, which aims to provide all students, with equal opportunities to a high-quality education designed to equip students for the demands of a digital era and enhance their prospects in life</p> <p>School improvement strategies will foster a culture of continuous improvement, enabling every school to consistently deliver an exceptional education</p> <p>Ensure a personalised training and development programme to develop influential leadership, exceptional teachers for each student, and exceptionally effective support personnel</p>
<p>Exceptional People</p> <p>To have the best team working with and for our pupils through investing in the growth and development of our staff</p>	<p>An effective employee value proposition that will facilitate people readiness and ensure that PACT continues to be strong and scalable</p> <p>A robust and comprehensive programme of professional learning and development for all staff at all levels that includes a mentor/mentee programme</p> <p>Ensure we sustain the promises made in order to attract, develop and retain our workforce</p>
<p>Exceptional Infrastructure</p> <p>To have buildings, technology, processes and policies that enable PACT to be a strong MAT</p>	<p>Creation and maintenance of a working environment that is conducive to delivering exceptional education</p> <p>A digital strategy transforming schools and communities for a more connected, efficient and equitable environment</p> <p>Collaboration within and outside the sector to ensure the highest levels of expertise and opportunities for PACT</p>
<p>Sustainability</p> <p>To be a resilient, environmentally sustainable and nimble organisation with sound financial management and robust governance</p>	<p>Enhancing the strong and resilient financial position of PACT and the communities it serves through maximising income</p> <p>Developing the governance structure and community experiences that enables PACT to enhance its civic purpose</p> <p>Ensuring PACT is an environmentally conscious organisation</p>

Governance Structure and Lines of Accountability

The Trust Board

- The MAT is the legal entity with the Trust Board having collective accountability and responsibility for the MAT and assuring itself that there is compliance with regulatory, contractual, and statutory requirements. The Trust Board provides:
 - **Strategic leadership of the academy trust:** the Trust Board defines the trust vision for high quality and inclusive education in line with its charitable objects
 - It establishes and fosters the Trust's culture and sets and champions the Trust strategy including determining what, if any, governance functions are delegated to the local tier
 - **Accountability and assurance:** the Trust Board has robust effective oversight of the operations and performance of the MAT, including:
 - The provision of education
 - Pupil welfare
 - Overseeing and ensuring appropriate use of funding
 - Effective financial performance
 - Keeping their estate safe and well-maintained
 - **Engagement:** the Trust Board has strategic oversight of relationships with stakeholders
 - The Trust Board involves parents, schools and communities so that decision-making is supported by meaningful engagement
- The Trust Board appoint the Trust's Executive (Chief Executive Officer (CEO)) to whom it delegates responsibility for delivery of its vision and strategy and will hold the Executive Leadership to account for the conduct and performance of the Trust, including the performance of the schools within the Trust, and for its financial management.
- In turn, the CEO line manages Executive Heads and Directors, and the schools' Heads are line managed by the Executive Heads, setting their targets and performance managing them.
- The Board constitutes committees for educational quality and standards, finance, resource and audit, and pay and remuneration; these look in detail at the educational outcomes, resources, finances, executive pay, and

other named roles. Please note this list is not exhaustive and exact duties are noted in the individual committees' terms of reference.

- The Board delegates some of its school level monitoring and scrutinising functions to Academy Committees and uses these committees to promote stakeholder engagement and as a point of consultation and representation. Trustees do not need to sit on Academy Committees, and so lines of communication to the Trust Board must be clearly established. It is usual for the CEO to seek input from the Chair of the Academy Committee when undertaking the Head's performance management.
- As the Head's management is overseen by the Executive Headteachers, the Academy Committee no longer carries out the governance function of 'holding the Headteacher to account'. However, they must be confident that the Trust's performance management systems are working well, and if not, how they can make the Trust aware of their concerns. This arrangement will also affect the Academy Committee's role in Ofsted inspections.

Roles and Responsibilities

Members

The Members of the Trust are guardians of the governance of the Trust and as such, have a different status to Trustees. Originally, they will have been the signatories to the Memorandum of Association and will have agreed the Trust's first Articles of Association (the legal document which outlines the governance structure and how the Trust will operate). The Articles of Association will also describe how Members are recruited and replaced, and how many of the Trustees the Members can appoint to the Trust Board. The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. Accordingly, the Trust Board submits an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments made to the Trust's Articles of Association.

There must be at least three members, although the DfE prefer at least five, and while Members are permitted to be appointed as Trustees, in order to retain a degree of separation of powers between the Members and the Trust Board, and in line with DfE expectations, not all Members should be Trustees. Members are not permitted to be employees of the Trust.

Trustees

The MAT is a charitable company and so Trustees are both charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors. Because Trustees are bound by both charity and company law, the terms 'Trustees' and 'Directors' are often used interchangeably. PACT uses the term Trustees to avoid confusion between employed staff who may be referred to a Director of a specific area.

The Trust Board are responsible for the general control and management of the administration of the Trust, and in accordance with the provisions set out in the Memorandum and Articles of Association and its funding agreement(s), it is legally responsible and accountable for all statutory functions, for the performance of all schools within the Trust, and must approve a written scheme of delegation of financial powers that maintains robust internal control arrangements. In addition, it must carry out the three core governance functions, mentioned above.

The Board of Trustees has the right to review and adapt its governance structure at any time which includes removing delegation.

Trust Board committees

The Trustees may establish committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the Trust Board. The membership (there must be at least three Trustees, unless otherwise stated in the committee's terms of reference) and responsibilities of board committees are set out in the committee's terms of reference. It is usual for the Trust Board to appoint Board Committee Chairs and Committee Representatives according to their skillset.

The Academies Financial Handbook makes it clear that the Board of Trustees 'should have a finance committee to which the Board delegates financial scrutiny and oversight'. In Trusts where the annual income is above £50,000,000, there must also be a separate Audit Committee.

PACT currently has four Board Committees:

- Finance, Resource and Audit Committee (FRAC) including sub-committee, Pay and Remuneration Committee (PRC)
- Quality and Standards Committee (QASC)
- Welfare and Safeguarding Committee (WASC)
- Performance Review Group (including external member) that oversees the performance management of Executive Leadership (PRG)

Chief Executive Officer (CEO)

The CEO has the delegated responsibility for the operation of the Trust, including the performance of the Trust's schools and so the Executive Heads performance manage the school Heads. As there is delegation of some governance functions to Academy Committees, this may be with some input from the Academy Committee Chair.

The CEO is the Accounting Officer for the Trust, so has overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability, avoiding waste, and securing value for money.

The CEO will delegate executive management functions to Executive Heads, Directors or Heads and are accountable to the Trust Board for the performance of the Executive Leadership Team.

Academy Committees

The Trustees may establish Academy Committees to carry out some of its school level governance functions, although as Trustees are not required to sit on these committees and the committee's decision making is limited. The Trust Board will appoint the chair and ensure that two parents are appointed to sit on each Academy Committee.

Delegated functions include:

- Provide a source of challenge and support to the Head of School.
- Ensure the development of a broad and balanced curriculum that will allow all pupils to be fully engaged, stretched, and motivated leading to significant levels of progress.
- Monitor attainment as identified through end of key stage assessments along with internal data for subsequent year groups.
- Monitor and review the quality of teaching and learning by holding a clear and concise picture of current standards and areas for development as identified through the school's development plan.
- Engage with all stake holders with specific regard for parents, understanding how to further develop positive relationships to support pupil progress, community cohesion and educational excellence across the MAT.
- Review, edit and subsequently amend school specific non-statutory and curriculum policies in line with best practice.
- In relation to SEN, to ensure that policies, procedures, and statutory guidance are followed ensuring best practice across the schools.
- Ensure that the school is adhering to safeguarding policies and procedures.
- Ensure that pupil premium and sports premium is being spent appropriately.
- Building an understanding of how the school is led and managed.
- Monitoring whether the school is:
 - Working within agreed policies
 - Is meeting their agreed targets.
- Report to the Board

As a committee of the Board, delegation can be removed at any time.

Heads of School and Headteachers (Heads)

The Heads are responsible for the day-to-day management of the school and are managed by the Executive Headteachers but reports to the Academy Committee on matters which have been delegated to it. This may include an element of monitoring and scrutiny of the school's management processes.

Review

The Scheme of Delegation shall operate from the effective date in respect of the Trust and all schools. The Trustees will review the Scheme of Delegation at least on an annual basis, and alter any provision of it. In considering any material changes to this Scheme of Delegation or any framework on which it is based, the Trustees will have regard to and give due consideration of any views of the Executive Leaders and Academy Committees.
