

# Civic Duty Spotlight

## Introduction:

The Civic Duty Spotlight is designed to streamline communication within our community by providing essential updates and resources. It shares important information, signposts key services, and offers reminders about civic responsibilities across our schools. Additionally, the spotlight highlights available offers like training programmes, community employment opportunities and initiatives, making it easier for everyone to stay informed and engaged.

## Community Resources Directory

We have a community resources directory which may be of assistance to a variety of stakeholders.

Go to the civic duty webpage accessible from your school's website :

[Directory](#)

## Collaboration:

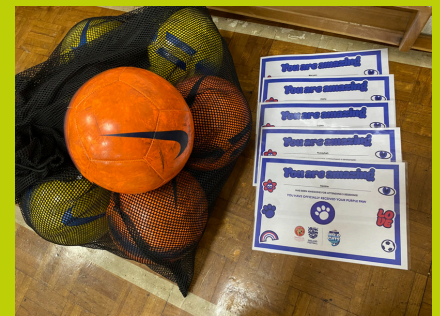

Collaboration through partnerships is essential for driving improvements, especially in the context of sustainability. By working together with local businesses, organisations, and other educational institutions, we can enrich the opportunities available to our students and broaden their horizons, all while building a sustainable future for our community. We have collaborated with many organisations across the Trust.

## Community employment Opportunity

As part of PACT's Civic Duty framework to improve social mobility, we are proud to partner with BMet to promote employment and training opportunities.

Together, we aim to equip individuals with the skills, resources, and support they need to unlock their potential and advance their careers. Through this collaboration, we are empowering our community to access BMet's top-tier education and training, enabling personal growth and meaningful employment.

## Giving Back: Our Civic Duty

Giving back to the community is a vital expression of Civic Duty, creating and reinforcing a sense of responsibility and unity among individuals and the wider community. The PACT has exemplified this through various initiatives, such as organising free trips to Lower Drayton Farm, Slimbridge and Pizza Express, where participants even had the joy of making their own pizzas.

We have also taken young people to actively serve the community, such as Highfields Junior and Infant School choir singing Christmas Carrol's at Heartlands Hospital, Hodge Hill Grange Care Home and St. Peter's Housing Trust .

In addition celebrating cultural events like Romania Day and other cultural celebrations further reinforces community belonging and bonding. Furthermore collaborative efforts with Masjid Al Falah Food Bank has had a great impact , where we had numerous food hampers to donate to local vulnerable families and Birchfield Primary School donated over 150 snack bags to be distributed to the Lionel street Homeless feed initiative.

Offering support and donating to local families and residents of Birmingham who need it the most embodies compassion and solidarity.

Through these acts, we demonstrate how giving back enriches not only those served but also the spirit of the entire community.

PACT children offering community service by singing at Heartlands Hospital, Hodgehill Grange Care Home and St. Peter's Housing Trust

Donations recieved and distributed via collaborative efforts between Masjid Al Falah and PACT

Slimbridge and Lower Drayton Farm trip, Cost free for children to attend.

## Community Offers

Access to community offers is all about providing opportunities for everyone to get involved, stay active, and feel connected. From free sports sessions to workshops, events, and support programs, these initiatives are designed to bring people together, promote well-being, and create a stronger sense of belonging. Whether you're looking to try something new, meet others, or access helpful resources, community offers are here to make a positive impact and ensure everyone has the chance to participate.
