

ENABLING EVERY PUPIL TO SUCCEED AT SCHOOL AND IN LIFE

STRATEGY >25

Welcome from our CEO

As the CEO of the Prince Albert Community Trust and Executive Head at Prince Albert High. It is both an honor and a privilege to have the opportunity to provide the very best education for each and every student, just as I strive to do for my own children. I am thrilled to extend a warm welcome to all our students and their families to our Strategy 25 booklet.

Since founding PACT with Sajid Gulzar in 2015, I have been fortunate to witness firsthand the incredible journey it has embarked on. Since its fruition, we have successfully opened a brand new high school and now stand as a trust of 6 schools and growing. I have been truly amazed by the outstanding sense of community that our students and staff have fostered.

Our Strategy 25 is the next step for PACT's journey to continuously improve the life's of its students. It is centred on five key pillars: welfare, education, people, infrastructure, and sustainability. These pillars form the foundation of our vision and are an extension of our core values. They will guide our actions as we shape the future of education at Prince Albert High. With dedication to this strategy we hope to **'enable every student to succeed at school and in life'**.

PACT CEO**
